ASSIGNMENT

WHEREAS, JEFF A. LIVESAY, an individual with the address of 320 EAST MARLE AVE, #115 BIRMINGHAM, MI 48009 (the "Assignor"), by assignment dated April 17, 2002, is the owner of certain rights, title, and interest in and to several Developments (as defined herein) and related applications for letters patent in the United States, under the Patent Cooperation Treaty, and in several foreign nations, which can be identified by the titles, serial numbers and filing dates indicated in Schedule A attached hereto; all provisional, nonprovisional, divisional, continuation, continuing prosecution, reissue, and reexamination applications, both foreign and domestic with claims of priority thereto; the Letters Patent, both foreign and domestic, that may or shall issue, or may or shall have issued, therefrom; any extensions or renewals thereof; and any right, title or interest in and to the inventions under any international conventions (collectively, the "IP Rights"); and

WHEREAS, WELLOGIX, INC., a corporation organized and existing under the laws of the State of Delaware, having a principal place of business at 1160 Dairy Ashford, Suite 400, Houston, Texas 77079 (the "Assignee"), desires to acquire the entire right, title, and interest of Assignor in and to the Developments and the IP Rights;

WHEREAS, "Developments" shall mean all technological, financial, operating, engineering, and training ideas; processes, methods, developments, and materials, specifically including, but not limited to, all inventions, discoveries, improvements, devices, designs, drawings, schematics, hardware configurations, practices, processes, methods, formulas, products, enhancements, and concepts; which were conceived, developed, written, or reduced to practice during the course of and within the scope of the Assignor's employment by the Assignee, during any period of employment with the Assignee or any predecessor entity of the Assignee before the entry of this Agreement.

WHEREAS, the intent of this Assignment document is to, among other things, reverse the provisions of an assignment from Assignee to Assignor dated April 17, 2002;

NOW, THEREFORE, for the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does sell, assign, and transfer to the Assignee, his successors, legal representatives, and assigns, Assignor's entire right, title, and interest in and to the IP Rights and the Developments; and the Assignor hereby authorizes and requests transfer of the patent application documents of Schedule A, and any further application documents, which may have been or shall be filed under the IP Rights, to the Assignee in accordance herewith;

Assignor further authorizes the Assignee, its successors, and assigns, or anyone it may properly designate, to apply for Letters Patent in the United States and any and all foreign countries, in Assignee's own name if desired; to have such Letters Patent issue in Assignee's name; to claim priority to the filing dates of the patent applications of Schedule A, as appropriate; and additionally to take advantage of the provisions of any international conventions; and

Assignor represents and warrants that he has the right and authority to execute this Assignment and to convey all right, title, and interest in the IP Rights and Developments, and that he has not conveyed nor will convey hereafter all or part of the IP Rights and Developments herein to a third party; and Assignor hereby covenants and agrees with the Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these representations; and that Assignor, his successors, legal representatives, assigns, or administrators will at any time upon request, without further or additional consideration, execute such additional writings and do such additional acts as said Assignee, its successors, and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of the grants herein, and render all necessary assistance in making application for, obtaining, and enforcing any of the IP Rights, including giving testimony in any proceedings or transactions involving such IP Rights;

IN WITNESS WHEREOF, the Assignor and Assignee hereunto have executed this Assignment as of the dates entered below.
